2. Technical skills
3. Knowledge of the performance process

Broad Objectives of the Qualification

1. Interpretative skills
   The Learner(s) will be required to:
   • explore style, form, character, subtext and context in order to realise the specific demands of the text
   • engage with character and situation in order to create a sense of reality

2. Technical skills
   The Learner(s) will be required to:
   • develop skills in voice, diction and movement

3. Knowledge of the performance process
   The Learner(s) will be required to:
   • know and understand the chosen selections
   • know and understand the key principles and influences in the process of acting for one of the following practitioners: Constantin Stanislavski, Bertolt Brecht, Jerzy Grotowski, Katie Mitchell, Kneehigh, Antonin Artaud or Joan Littlewood (Grade 8 only)
Structure

The qualification is available at four levels, in line with the Regulated Qualifications Framework:

Learners may enter for an Acting Examination at any grade. Each grade is independently assessed. Learning Outcomes are set at each Level and cover a range of grades (for example, Level 1 covers Grades 1, 2 and 3). Assessment Criteria are set at each grade. There is a qualitative difference in outcome between individual grades within each Level. This is because:

• the repertoire chosen by the Learner increases in technical difficulty as the grades progress
• the knowledge required increases as the grades progress

LAMDA Examinations in Acting are offered in the following formats:

• Solo (one Learner) where the Learner performs alone
• Duologue (two Learners) where the Learners perform all scenes together
• Combined (two Learners, available at Level 1 and Level 2 only) where the Learners perform one solo scene each and one duologue scene together
Examination Regulations

1. The set acting scenes for each grade are printed in full in the *LAMDA Acting Anthology – Volume 4*.

2. The Learner(s) will perform the chosen Set Scenes as they are presented in the *LAMDA Acting Anthology – Volume 4*. Edits are not permitted.

3. Own Choice pieces must not be published anywhere in the current *LAMDA Acting Anthology – Volume 4*.

4. Full costume must not be worn. Long practice skirts, which allow freedom of movement, may be used together with small items such as scarves, hats, shawls, gloves or canes. Nudity is not permitted. Hand props are permitted but must be kept to a minimum. Real knives or other weapons are not permitted.

5. The Learner(s) must play only one character in their selected scenes.

6. No unauthorised person will be allowed to be present during the examination.

7. Electronic devices, such as mobile phones, Kindles, iPads, e-readers and laptops, are not permitted in the examination room unless they are required as a prop. If an electronic device is required as a prop this must be approved by the Examiner at the beginning of the examination. Electronic devices used as props must be switched off for use in the examination.

8. Live animals are not permitted in the examination room.

9. The selected repertoire must be performed in English.
Entry Level

Level Description

The LAMDA Entry Level Award in Performance: Acting is designed to introduce Learners to very simple acting skills. Learners will perform one scene from memory, audibly and clearly. They will be able to show that they understand the meaning of what they are speaking. Their use of space will complement their performance.

During their examination, Learners should present their pieces to a wider imagined audience, of which the Examiner is a part, and not solely to the Examiner.

LEARNING OUTCOMES

On completion of this unit the Learner(s) will be able to:

Interpretation
LO1: perform one scene from memory, demonstrating an understanding of the material

Technique
LO2: use vocal skills in response to the text
LO3: use the face and body in response to the text

Knowledge
LO4: know and understand the character in the chosen scene
Total Time Allowance

Duologue – 15 minutes

Examination Content

Scene (Own Choice): Interpretation and Technique

Solo and Duologue Learners will perform from memory one solo/duologue scene of their own choice.

### ENTRY LEVEL (ENTRY 3)

<table>
<thead>
<tr>
<th>LEARNING OUTCOMES</th>
<th>ASSESSMENT CRITERIA</th>
</tr>
</thead>
</table>
| LO1: perform one scene from memory, demonstrating an understanding of the material | 1.1 Communicate the sense of the written word  
1.2 Demonstrate an understanding of the character  
1.3 Perform from memory with fluency and focus |
| LO2: use vocal skills in response to the text | 2.1 Speak with audibility  
2.2 Speak with clarity of diction |
| LO3: use the face and body in response to the text | 3.1 Perform with movement and facial expression appropriate to the character |
| LO4: know and understand the character in the chosen scene | 4.1 Give a description of the appearance of the character in the chosen scene  
4.2 Give a description of the feelings of the character in the chosen scene |

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Entry Level Acting Examinations. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

### Distinction (80–100 Marks)

A Learner who achieves a Distinction grade will have demonstrated the ability to communicate the sense of the piece to the audience in a clear and engaging way, using imaginative body language and facial expression to create their character throughout the presentation. They will have also given detailed descriptions of how their character looks, and how they are feeling in the scene.
**Merit (65–79 Marks)**

A Learner who achieves a Merit grade will have demonstrated a secure understanding of the content and character chosen. They will have used good facial expression and diction, and audibility will be secure but not consistent, and there may be some errors with memory. Learners will also be able to provide general, but accurate details about their character's appearance.

**Pass (50–64 Marks)**

A Learner who achieves a Pass grade will have communicated some understanding of the content of their pieces and the chosen character, with audibility and diction being clear for some of the presentation. A basic awareness of rhythm and shape will be apparent, but lapses in memory may affect this. Learners will provide basic descriptions of what their characters look like, and what they are feeling in each scene.

**Fail (0–49 Marks)**

A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).

Level Description

The LAMDA Level 1 Award in Performance: Acting is designed to enable Learners to develop basic acting skills. Learners will perform two scenes from memory, audibly and clearly. They will be able to apply their knowledge, understanding and skills to produce a thoughtful interpretation, based on creative engagement with the material and careful preparation. Through variations in volume, pace and pause they will be able to create and convey mood. Their use of body and space will complement their performance.

During their examination, Learners should present their pieces to a wider imagined audience, of which the Examiner is a part, and not solely to the Examiner.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 1 Acting Examinations. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

**Distinction (80–100 Marks)**

A Learner who achieves a Distinction grade will have communicated the sense of their pieces throughout their performance, demonstrating a full understanding of the characters and situations. The performance will have been clear and audible, and pace and pause will have been used appropriately. The Learner will have used thoughtful, effective body language and facial expression to complement the content of the chosen material. Learners will have also given accurate and detailed answers to questions asked about their chosen pieces.

**Merit (65–79 Marks)**

A Learner who achieves a Merit grade will have communicated the sense of their pieces on the whole, but will not have done this throughout. The Learner will be mostly clear and audible in their performance, frequently using body and face appropriately in response to the text. Learners will have also given general, but accurate answers in response to questions asked about their chosen pieces.

**Pass (50–64 Marks)**

A Learner who achieves a Pass grade will have communicated a basic sense of their chosen material. They will have demonstrated basic performance skills and some imaginative interpretation of the texts through the body and face. Learners will have also given accurate but basic answers to questions asked about their chosen pieces.

**Fail (0–49 Marks)**

A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique;
will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).
Level Description

The LAMDA Level 2 Award in Performance: Acting is designed to enable Learners to develop a range of acting skills. Learners will perform two scenes from memory. The performance will be audible and intelligible with vocal contrast through which mood and meaning are communicated. Learners will be able to demonstrate a sound understanding of the material, leading to an imaginative interpretation in which there is application of appropriate technical skills. Effective preparation and study will be evident, leading to a secure performance. Use of voice, body and space will be effectively combined to communicate the text and engage the audience.

During their examination, Learners should present their pieces to a wider imagined audience, of which the Examiner is a part, and not solely to the Examiner.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 3 Acting Examinations. Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass, or fail to satisfy one or more of the stated Assessment Criteria, will be graded as a Fail. This is irrespective of the total marks accumulated.

**Distinction (80–100 Marks)**

A Learner who achieves a Distinction grade will have demonstrated advanced understanding and awareness of the chosen material. The performance will have been innovative and sophisticated, responding vocally and physically to the demands of the text throughout. Knowledge and understanding of material will have been comprehensive and in-depth, and discussed maturely.

**Merit (65–79 Marks)**

A Learner who achieves a Merit grade will have demonstrated sound understanding of the material through a mature and imaginative interpretation, responding with thoughtful physical and vocal techniques most of the time. Knowledge and understanding of the chosen material will have been well researched and presented.

**Pass (50–64 Marks)**

A Learner who achieves a Pass grade will have demonstrated some evidence of a developed understanding of the material. Interpretation of the text will have included some personalisation and self-assurance. Learners will have demonstrated some widespread knowledge and understanding of the chosen material.

**Fail (0–49 Marks)**

A Learner whose examination is graded as a Fail for any Subject and Grade will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners
will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

It should also be noted that Learners who complete the external assessment but who either do not meet the minimum pass criteria mark for a Pass or fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

In these circumstances, the Examiner will identify the Assessment Criteria/Criterion not met in the Learner Examination Report (LER).
