About LAMDA

Founded in 1861, the London Academy of Music and Dramatic Art (LAMDA) is the oldest drama school in the UK. We started to offer examinations in speech and drama to the public over 130 years ago. Since then, we have developed an enviable reputation for delivering excellence in the provision of Communication, Performance and Musical Theatre examinations in the UK and are rapidly extending our reach internationally.

LAMDA is recognised as an awarding organisation by Ofqual, the Office of Qualifications and Examinations Regulation in England, Qualifications Wales and the Council for the Curriculum Examinations and Assessment (CCEA Regulation) in Northern Ireland.

LAMDA Qualifications

The LAMDA Graded Examinations in Communication reside on the Regulated Qualifications Framework (RQF). The RQF permits direct comparison between academic qualifications (i.e. GCSEs / A Levels) and vocational qualifications (i.e. LAMDA Qualifications and others).

About This Syllabus Specification

This syllabus specification outlines the specifications for LAMDA Graded Examinations in Communication. It is designed for use by Centres, Teachers, Learners and Parents.

Qualification Structure

LAMDA Graded Examinations in Communication are available in the following subjects:

- Speaking Verse and Prose
- Reading for Performance
- Speaking in Public

LAMDA Graded Examinations in Communication are open to all. There are no minimum age restrictions, and the choice of repertoire is intended to appeal to Learners of all ages.

The Qualifications are available at four levels on the RQF, and each examination subject is available from Entry Level to Grade 8.

There are no explicit skill or knowledge pre-requisites for any LAMDA examinations. To be able to effectively complete any LAMDA examination however, Learners should have sufficient English language skill and be suitably prepared to allow them to communicate and perform in line with the requirements and to give them the best opportunity to perform to the best of their ability.

All qualifications within the Communication Suite have the same structure as detailed in the table below.

Communication Qualification

(Learners must complete one unit to achieve the Qualification)

Speaking Verse and Prose	Reading for Performance	Speaking in Public
---------------------------------	--------------------------------	---------------------------

The appropriate Qualification Title, Qualification Accreditation Number (QAN) and the unit chosen will appear on Learners' final certification documentation.

Reasonable Adjustments and Special Considerations

Reasonable Adjustments and Special Considerations are designed to facilitate access to Qualifications for Learners who have particular requirements. Further information can be obtained from LAMDA Examinations' published *Reasonable Adjustments and Special Considerations Policy*, which is available to download from the LAMDA website: www.lamda.ac.uk/lamda-exams

Assessment and Grading

The purpose of assessment is to ensure that effective learning has taken place to give Learners the opportunity to meet all the Assessment Criteria and achieve the Learning Outcomes within a Qualification and/or Unit.

All LAMDA graded Qualifications require external assessment. External assessment is a form of independent assessment where Assessment Criteria for each Qualification are set by LAMDA and marked by a LAMDA Examinations Examiner.

LAMDA Graded Examinations in Communication use practical assessment as its method for external assessment.

All assessment for LAMDA regulated Qualifications is criterion-referenced, based on the achievement of specified Learning Outcomes and Assessment Criteria. Each Qualification and/or Unit within the Qualification has specified Assessment Criteria which are used for grading purposes. A Qualification grade can be awarded at Pass, Merit or Distinction.

Learners must achieve a minimum of a pass for all Assessment Criteria and meet the minimum overall mark in order to achieve a pass for the whole qualification. Learners who fail to satisfy one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

A Learner Examination Report (LER) will be completed by the Examiner for each assessment. This will show a result for each Assessment Criteria which could be Distinction (D), Merit (M), Pass (P), or Fail.

Invalidation Policy

LAMDA operates an Invalidation Policy for all its Qualifications.

All Learners must perform to the exact requirements as detailed in the relevant syllabus specifications. Learners must also comply with all LAMDA Examination Regulations as detailed at the start of each Unit/ Discipline (e.g. Speaking Verse and Prose).

Learners who do not adhere to these requirements will be at risk of Invalidation. All potential invalidations are submitted by the Examiner and are reviewed by LAMDA to ensure fair, valid and consistent decisions are made. If an examination is Invalidated, LAMDA will issue a result of 'Invalidated' and will not award a certificate for the Learner's assessment.

For all confirmed Invalidation decisions, the reasons for the Invalidation along with the Learner's Examination Report (marked Invalid) will be sent directly to the Centre Coordinator or the named accountable person detailed at the time of examination entry.

A Note on Language

English is used and explicitly expressed in all LAMDA syllabus specifications and assessment materials for the examinations. Examinations are conducted solely in English. The language used in all syllabus specifications and assessment materials, and during practical assessment, is explicit, plain and free from bias.

Whilst LAMDA offers examinations in Wales and Ireland, it does not offer examinations using Welsh (Cymraeg) or Irish (Gaeilge) languages.

Accent

LAMDA welcomes Learners from all over the world and encourages performances in a wide range of individual accents. Whilst taking examinations, LAMDA encourages Learners to find clarity and intelligibility within their own accent rather than speaking in any particular accent.

Essential Resources

The *LAMDA Speaking Verse and Prose Anthology – Volume 20* is a collection of verse and prose and is a required publication for Learners taking LAMDA Graded Examinations in Speaking Verse and Prose from Entry Level to Grade 8.

Details of all LAMDA publications for the examinations are available on the LAMDA Exams website: www.lamda.ac.uk/lamda-exams

Support Material

LAMDA expects that this syllabus document is used in conjunction with a range of supporting resources.

Mandatory resources are Free of Charge and include Teacher Support Materials, FAQs and Policies. They can be accessed via the LAMDA website: www.lamda.ac.uk/lamda-exams.

LAMDA also produce a range of optional supporting resources. These can be purchased from our online shop.

Selecting pieces with sensitivity

LAMDA Exams is constantly exploring ways to make our syllabi as inclusive as possible. We work with the industry to create positive change and encourage conversation around equality, diversity and inclusivity.

We recommend Teachers and Learners to select pieces and topics with sensitivity and consideration of the themes and experiences of the character portrayed, particularly in relation to age, religion, race, gender and disability.

It is important in these contexts that Teachers work with Learners to ensure that they can communicate in a way that allows the Learner to meet the Assessment Criteria.

11. Where a maximum timescale is stated, if a Learner exceeds this time, the Examiner will not mark anything presented after this time.

Please note: If, during an Examination, the Examiner feels that any action or behaviour presents a risk to the safety, security or safeguarding of any party involved in the examination, the Examiner may take immediate action and halt the Examination.

A breach of any of these Regulations will be referred to LAMDA Exams for consideration. Breaches found to have an impact on the validity of the examination, risk Invalidation. Please see the Invalidation Policy section for further information.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Entry Level Speaking Verse and Prose Examinations.

Distinction (80–100 Marks)

A Learner who achieves a Distinction grade will have demonstrated the ability to communicate the sense of their poems to the audience in a clear and engaging way, speaking audibly and clearly throughout the presentation. They will have also given a detailed description of the content of their poems, and correct definitions of all four words chosen by the Examiner.

Merit (65–79 Marks)

A Learner who achieves a Merit grade will have demonstrated a secure understanding of the content, rhythm and shape of the selections performed. They will have presented them with good diction and audibility will be secure, but not consistent, and there may be some errors with memory. Learners will have given an accurate and clear description of the content of their poems, and correct meanings of three words chosen by the Examiner.

Pass (50–64 Marks)

A Learner who achieves a Pass grade will have communicated some understanding of the content of their selections, with audibility and diction being clear for some of the presentation. Fail (0–49 Marks)

A Learner whose Examination is graded as a Fail will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of Examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

Please Note: Learners who complete the external assessment but who either do not meet the minimum pass mark or fail to achieve a pass for one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

What Strange Paradise by Omar El Akkad

To the Lighthouse by Virginia Woolf

Circe by Madeline Miller

The set pieces are printed in full in the *LAMDA Verse and Prose Anthology - Volume 20*.

The Examiner will ask the Learner to announce the title and writer prior to the performance. A clean, legible, unannotated copy of the selection should be provided for the Examiner.

Piece 2 (Own Choice): Interpretation and Technique

The Learner will speak from memory either one verse selection or one prose selection of their own choice.

If verse was selected for Piece 1, the Learner will select a prose passage of their own choice. If prose was selected for Piece 1, the Learner will select a verse of their own choice.

The own choice selection must be published, but not set anywhere in the *LAMDA Verse and Prose Anthology – Volume 20*. Definitions of key terms such as ‘published’ can be found in the Glossary at the end of this syllabus. It is essential that any selections made conform to the definitions as listed.

The piece must not exceed 3 minutes in length.

The Examiner will ask the Learner to announce the title and writer prior to the performance. A clean, legible, unannotated copy of the selection should be provided for the Examiner.

Sonnet (Own Choice): Interpretation and Technique

The Learner will speak from memory a sonnet of their own choice by William Shakespeare.

The Learner must announce the title and writer prior to the performance. A clean, legible, unannotated copy of the selection should be provided for the Examiner.

Sight-Reading

The Learner must bring the book (E Book* or Hard copy), from which the prose selection was taken, into the examination room. The Learner should bring a copy of the full book. If the prose selection was from the LAMDA Anthology, a copy of the original book must be brought in and not just the Anthology piece.

The Examiner will ask the Learner to sight-read a selection of text. The text will be drawn from the book used for the Prose reading. The Examiner will show and tell the Learner where to start their sight-reading.

The Learner can study the text for 1 minute prior to the reading.

The Examiner will allow the Learner to read for approximately 1 minute and will tell the Learner when to stop reading.

*If a Learner chooses to use an E-Book, they are free to use any size font and they can apply coloured overlays as required.

Knowledge

The Learner will answer questions on the following:

- The content of the book from which the prose selection has been taken, noting key characters and events within it
- The content of the poem and sonnet presented
- The verse form, metre and rhythm of the poem and sonnet presented
- The context of William Shakespeare's work and how it has influenced others
- The life of one of the other writers selected for Piece 1 or Piece 2 and how it has influenced their work and the context of writing. The Examiner will select which writer the Learner must speak about at the time of the examination.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 3 (Grades 6, 7 and 8) Speaking Verse and Prose Examinations.

Distinction (80–100 Marks)

A Learner who achieves a Distinction grade will have demonstrated advanced understanding and awareness of the chosen material. The presentation will have been innovative and sophisticated, thoroughly engaging the audience at all times. Knowledge and understanding of material and the techniques required for speaking verse and prose will have been comprehensive. Learners taking examinations at Grade 8 will have been able to discuss maturely detailed and in-depth biographical and contextual details about their chosen writer.

Merit (65–79 Marks)

A Learner who achieves a Merit grade will have demonstrated understanding of the material through a mature and imaginative interpretation, using thoughtful and engaging physical and vocal techniques. The presentation will have been complex and well prepared. Knowledge and understanding of material and the techniques required for speaking verse and prose will have been well researched and presented. Learners taking examinations at Grade 8 will have been able to demonstrate sound biographical and contextual knowledge of their chosen writer.

Pass (50–64 Marks)

A Learner who achieves a Pass grade will have demonstrated some evidence of a developed understanding of the material. Interpretation of the text will have included some personalisation and self-assurance. Learners will have demonstrated some widespread knowledge of techniques required for speaking verse and prose. Learners taking examinations at Grade 8 will have been able to discuss biographical and contextual details about their chosen writer, but knowledge will be undeveloped.

Fail (0–49 Marks)

A Learner whose examination is graded as a Fail will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

Please Note: Learners who complete the external assessment but who either do not meet the minimum pass mark or fail to achieve a pass for one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.

LAMDA Graded Examinations in Communication: Reading for Performance

From 1 August 2024

Purpose of the Qualification

LAMDA Graded Examinations in Communication: Reading for Performance are designed to develop the skills necessary for reading aloud to an audience and devising a recital for performance.

Learners who prepare themselves appropriately will develop:

- 1. Interpretative skills**
- 2. Technical skills**
- 3. Knowledge of literature and how to devise and present a programme of material for performance**

Broad Objectives of the Qualification

1. Interpretive skills

The Learner(s) will be required to:

- Engage imaginatively with the thought, emotion, style and form of a text

2. Technical skills

The Learner(s) will be required to:

- Develop skills in voice, diction, positioning and posture, reading aloud and audience communication

3. Knowledge of literature and how to devise and present a programme of material for performance

The Learner(s) will be required to:

- Know and understand the chosen readings
- Know and understand what is required to present a recital in reading for performance

Structure

The qualification is available at four levels, in line with the Regulated Qualifications Framework:

Entry Level (Entry 3)	Entry Level
Level 1	Grade 1 Grade 2 Grade 3
Level 2	Grade 4 Grade 5
Level 3	Grade 6 Grade 7 Grade 8

Learners may enter for an examination in Reading for Performance at any grade. Each grade is independently assessed. Learning outcomes are set at each level and cover a range of grades (for example, Level 1 covers Grades 1, 2 and 3). Assessment criteria are set at each grade. There is a qualitative difference in outcome between individual grades within each level. This is because:

- The readings and theme chosen by the Learner should increase in technical difficulty as the grades progress
- The knowledge required increases as the grades progress.

LAMDA Examinations in Reading for Performance are offered in the following formats:

- Solo (one Learner) where the Learner performs alone.

Learners have the freedom to present their recital from any appropriate space within the examination room. They may choose to remain in one place throughout or change placement and levels as they deem fit. Learners should consider the placement, stillness and movement around the space as part of the performance of their recital.

Examination Regulations – Reading for Performance

1. The Learner must not memorise the readings for their recital. They must read them aloud from a book or folder. The Learner must perform the introduction, linking statement and conclusion from memory, these elements cannot be read.
2. Small hand props are permitted but must be kept to a minimum.
3. No unauthorised person will be allowed to be present during the examination. An 'authorised person' is a person (that is not being assessed), who has been permitted by LAMDA Exams to enter the examination room in line with the requirements of the Learner's Reasonable Adjustment.
4. Electronic devices such as mobile phones, tablets, e-readers, laptops and note pads cannot be brought into, or used in the examination room unless it is:
 - Required to display an E-book and is in airplane mode or does not have access to the internet
 - Authorised as part of a LAMDA authorised Reasonable Adjustment and is only used in line with the approved adjustment
 - Shown to the Examiner at the start of the Examination to verify its status (it is off or in airplane mode)
 - Only used for the part(s) of the exam where it is required and is placed out of the reach and view of the Learner for all other sections
5. Real or authentic replica weapons are not permitted in the examination room.
6. Live animals are not permitted in the examination room.
7. The recital must be performed in English.
8. Use of sound effects are not permitted.
9. Own Choice Selections must be Published by a professional Third Party (e.g. a Publishing House). Self-Published Selections that have not been reviewed and published by a third party are not allowed.
10. Where a maximum timescale is stated, if a Learner exceeds this time, the Examiner will not mark anything presented after this time.

Please note: If, during an Examination, the Examiner feels that any action or behaviour presents a risk to the safety, security or safeguarding of any party involved in the examination, the Examiner may take immediate action and halt the Examination.

A breach of any of these Regulations will be referred to LAMDA Exams for consideration. Breaches found to have an impact on the validity of the examination, risk Invalidation. Please see the Invalidation Policy section for further information.

The Learner will have created an appropriate and personal response to the text both vocally and physically and used appropriate modulation throughout. Knowledge of the material and rationale behind choices will be wide-ranging and detailed.

The following information describes what skills and knowledge Learners need to present in order to attain marks for Pass, Merit or Distinction for Level 1 Speaking in Public Examinations.

Distinction (80–100 Marks)

A Learner who achieves a Distinction grade will have given a speech using vocabulary suitable for their chosen topic throughout. The speech will have been spoken audibly and clearly and delivered with spontaneity using appropriate facial expression. Explanations of how their speech was prepared will have been detailed and clear, and the Learner will have engaged in the conversation, responding to and asking questions throughout (Grade 3 only).

Merit (65–79 Marks)

A Learner who achieves a Merit grade will have delivered a speech using vocabulary that was mostly suitable for their chosen topic. The Learner will have used facial expression to support the content of their speech and communicated with spontaneity for most of the presentation, but not always. Explanations of how they prepared their speech will have been confident but will have lacked some detail. Learners will have remained engaged in the conversation most of the time, accurately responding to the majority of questions (Grade 3 only).

Pass (50–64 Marks)

A Learner who achieves a Pass grade will have communicated a basic understanding of their chosen topic using some appropriate vocabulary. They will have attempted to deliver their speech with spontaneity and have used some facial expression. Learners will have given brief and simple explanations of how they prepared their speech and will have had some engagement in the conversation (Grade 3 only).

Fail (0–49 Marks)

A Learner whose examination is graded as a Fail will have demonstrated inaccuracy and lack of fluency in all or most of the components. They will have demonstrated an unacceptable standard of physical and vocal technique; there will have been lapses in memory (if applicable) and they will have shown little or no evidence of interpretative skills. Knowledge in relation to the repertoire performed will have been insufficient for the Grade and subject of examination being taken. Learners will also have failed to communicate, through their performance or presentation, any significant degree of understanding of the repertoire.

Please Note: Learners who complete the external assessment but who either do not meet the minimum pass mark or fail to achieve a pass for one or more of the stated Assessment Criteria (irrespective of the total marks they accumulate) will be graded as a Fail.
