**Please note:** In the Academic Year 2019-20 LAMDA has reviewed and presented alternative assessment methods for all summative assessments across all the programmes where Covid-19 affects delivery. This is to ensure that LAMDA can offer a fair and consistent assessment opportunity for all students, including those who may need to re-sit, defer, retake a module or interrupt study. This also allows LAMDA to continue to deliver assessments in a fair and consistent manner if adjusted delivery does need to be rolled out into 2020-21. Details of alternative assessments that may be delivered can be found online in the [LAMDA Covid-19 Alternative Assessment Strategy 2020](#).
